RFP Updates

Wendy Parker addressed the Committee. She gave a brief overview of the status of RFPs that will be brought forward to the Committee in April. These included the RFP for Slice of Life; Employee Assistance Program (EAP); and Pharmacy Benefits Manager (PBM). Ms. Parker anticipates that as a result of the PBM RFP, there will need to be a larger discussion regarding formulary options and that the August 2022 retreat would be the best time to have a detailed session on the available options.

Wendy Parker specifically thanked Jason Kalgren for his leadership and dedication in getting the system to where it is today and recognized the collaboration and hard work his team has put forth.
