 - Are open to the public (although the board is permitted to go into non-public sessions for limited reasons, such as to discuss personnel and legal issues).
 - Typically, last two to three hours, although they can be shorter or longer.
 - Historically have been held on weekday mornings at HealthTrust's office in Concord, although the board decides when, where and at what time meetings will occur.
- Serve on a subcommittee. Subcommittees of the board meet on a periodic basis at a time and place convenient for those particular members.
- On occasion, spend time outside of board meetings reviewing documents and communicating with HealthTrust Members.
- Attend the board retreat. The annual board retreat is an opportunity for the board members and HealthTrust's leadership team to hear from leading experts and review the strategic plan.
